MEMORANDUM FOR: Director of Central Intelligence

THROUGH: Deputy Director of Central Intelligence  
Executive Director  
Deputy Director for Operations

FROM: Stanley Sporkin  
General Counsel

SUBJECT: Domestic Procedures Implementing the Executive Order on Intelligence Activities

REFERENCE: Memo for DCI from GC, same subject, 4 March 1982  
(OGC 82-02211, ER 82-0118/1)

1. Attached is a letter to you from Attorney General Smith advising that he has approved the new procedures governing CIA activities inside the United States pursuant to Executive Order 12333 and the appendices that apply to those procedures. Your approval is now needed, and I recommend that you sign them.

2. These procedures will become effective seven working days after your signature. This delay responds to a request from the SSCI through the Chief Counsel that, in lieu of prior review by the oversight committees, the Committee would appreciate obtaining copies of the procedures after approval but prior to their effective date. We have tentatively scheduled briefings of the SSCI and HPSCI staffs on the substance of the procedures early next week. In view of the publicity surrounding the new Order, we should anticipate that the committees are likely to have comments. Although we indicated that we will consider their views, we made it clear that, unlike the Executive Order, the procedures are not being coordinated with the committees and legally will become effective seven days after your signature.
